

I AM "THE ANCIENT ONE" END TIME PROPHECY

Fear only God. Who can destroy both soul and body in hell. Praise him for the soul he spare because he do not have pleasure in lost any soul but to repeant and come back to him while there is a time. Belive in his son and be saved. Ancient means something old with age, with wisdom or antique or opposed to modern, but not God. (John 12:12, Psalm 119:100, Daniel 7:13, 7:9). God was already existed. He was pre-exist before anything was made. Jesus never said I am the ancient one. If your pastor knew the definition they would not tell you what they are telling you. Jesus said he is the only one who came from above (John 3:13). Then the son of men in Daniel 7:13 must be Jesus who came in the cloud of heaven. He approach the ancient one and was led into his presence. In fact he said my father and I are one (John 10:30). So the ancient one is not God. Very soon, in coming 13 months all the rest of the seals 5, 6, 7 will open (Rev. Ch 6-7) and the first 4 trumpets will be blown. Then you will know a prophet is among you. These are things which I listed will happen. Great earthquake, bigger Tsunami, sun becomes dark, moon becomes red, stars will fall, shaking of mighty wind, mountain and island will move or disappear, 144,000 Jews will be transformed, banks will shut down, stock market will be crashed, 1/3rd of trees and grass will be burned, 1/3rd of water will be blood, 1/3rd of creatures in sea will die, stars will on 1/3rd of the river, many will die, USA will invade few more countries, may be nuclear bombs will blast. Many more disease and famine, and you will see Houston Texas will be full of people and temple will be rebuilt.
